Hi Roberto,

Please give me a call 213.590.8561 that does not sound like a proper use for LACC crews, if your office had their own contact with LACC then it would be at your digression.

Not part of LACC task directives.

Maybe CoCo would be better fitted for such a project.

Hey Renee, hope you are doing well. Rang you earlier but did not get a response.

CD8 is exploring how we might be able to set up a local food delivery service to help home-bound seniors and small businesses in our District that are struggling in the wake of COVID-19.

I want to discuss the possibility of LACC Services for food delivery. Are you available for a phone call today before 3:00PM or after 4:00PM? Let me know, my cell is 310-242-0575
